2019 Impact Graduation Banquet:

About the Impact Graduation Banquet The Impact Graduation Banquet continues the legacy that CASA started by celebrating youth in our region in foster care or other out-of-home settings, who are graduating from high school or obtaining their GED. We invite a range of guests including relatives and foster families, system professionals, educators, and community partners. This event is an important celebration of the youth we serve, and helps make visible the outcomes that Impact is working towards. Learn more about our services at www.impactlivingservices.org

Attendees

We anticipate over 100 guests from Region 2000 and beyond, with up to 20 high schoolers, and a mix of foster parents, family members, case professionals and community partners. Graduates include teens in the custody of regional Departments of Social Services, as well as teens from the Liberty Godparent Home, Residential facilities, group homes and foster care agencies. Don't miss the chance to support a positive community event and market to key professionals and young adults in the locality!

Why does Central Virginia need this event? Virginia leads the nation in number of children "aging out" of foster care, or teens who turn 18 before being settled with a permanent family. These youth must begin life as adults on their own, and are at tremendous risk nationwide for poor outcomes:

Sponsor Level:

Choose one option below:

- ____ Presenting Sponsor (\$2,500)
- ____ Gold Sponsor (\$1,000)
- ____ Silver Sponsor (\$500)
- ____ Bronze Sponsor (\$250)

- PTSD rates for foster youth exceed the rates for American war veterans
- Only 58% of teens aging out obtain a high school diploma (compared to 87% of the population)
- Fewer than 3% earn their college degrees (compared with 28 % of the general population)
- About 1 in 5 experience homelessness within 1 year after leaving foster care
- 1 in 4 of these youth will be incarcerated within 2 years of leaving the system

What will my support achieve? Your funding goes to celebrating a pivotal success in the lives of these youth, and helps create momentum for further achievement. The event makes visible a teen's existing support network, and offers interaction with leaders who can enhance her future. Last, through sponsorship we are educating our region about the practical needs of this vulnerable demographic, and engaging the community in supporting them. Through doing so, we increase the likelihood that these vulnerable youth become productive and vibrant members of our region.
